

HARBOUR ROCKS

WELCOME TO ERIC'S BAR

Hidden within the sandstone walls of Harbour Rocks Hotel, Eric's Bar celebrates the timeless spirit of The Rocks. Inspired by Sydney's maritime past, our cocktails honour the sailors, merchants and storytellers who once gathered along these historic streets. Every drink is crafted with quiet theatre, warm hospitality and a sense of discovery. Whether you're joining us for a perfectly stirred martini, a signature ritual or one last nightcap, welcome to the next chapter of Eric's Bar.

Eric's cocktail

THE MERCHANT'S WELCOME

Australian Whisky · VSOP Cognac · PX · Wattleseed · Black Tea · Orange

Inspired by the drink Eric ordered each time he returned to Sydney Harbour. Rich with Australian whisky, warming spice and quiet ceremony, it celebrates the evening that began every chapter of their story. After months at sea, Eric's first stop was always The Rocks. Waiting for him was Scarlet. She already knew his order.
A whisky stirred with warmth, spice and conversation. It became their ritual before every evening together, long before either of them realised they were falling in love. This is more than our signature cocktail. It is the ritual that welcomes you to Eric's Bar.

Scarlett's Kiss

THE LADY'S OF THE ROCKS

Champagne · Rosella · Raspberry · Elderflower · Citrus

Inspired by the toast that followed Eric's proposal. Bright, elegant and sparkling, it celebrates the moment Scarlet said yes and every celebration that followed. When Eric finally gathered the courage to ask Scarlet to marry him, she answered with a smile before raising a glass of Champagne.
Scarlet's Kiss honours that unforgettable toast - a celebration of love, laughter and the beginning of their next adventure together. Graceful, sparkling and impossible to forget - just like Scarlet herself.
